Dear Business Owner/Community Member:

The Friends of High Point State Park would like to invite you to participate this year in our Corporate Sponsorship program. We count on community support to help make our events a success and we are contacting you now in hopes that you will consider us in your charitable donation allocation for the upcoming year.

The Friends of High Point State Park is a non-profit group that encourages the use of the park by funding various events such as family friendly concerts on the beach, boating and fishing events, yoga classes, guided hikes, bicycle events, winter festivals and much more. Our members have one thing in common which is a love for the park and our wish to share it with others. We enjoy offering free events and activities to the public at High Point State Park.

Although we are strongly endorsed by High Point State Park, we receive NO funding from them and are supported solely through membership and donations. We need donations from companies like yours to ensure we can continue providing our free events and activities to the High Point State Park community. The number of visitors attending our programs has increased a great deal over the years. Our volunteers devote countless hours to ensure these programs will continue and your donations would make a huge difference in securing the success of next year's programs.

We would also like to offer you the opportunity for The Friends to advertise your sponsorship by listing your company on our Facebook page and website. We would also like to add a link on our Facebook page and website providing your web page so possible customers can be directed immediately to your website. If you have any flyers or advertisements we would gladly put them out at our events table. We would also like to invite you to attend any of our activities so you can see first hand what we do here at the park.

The Friends of High Point State Park would like to thank you in advance for your support in the continued success of our free programs here at High Point State Park.

Sincerely,

April Oleksy

April Oleksy

Vice-President, The Friends of High Point State Park
