

## **Geocaching Adventures at High Point State Park**

Spend a few hours or the entire day discovering the wonders, and hidden treasures, that High Point State Park has to offer. Come explore along Ridge Road and Sawmill Road. Search for official Friends of High Point State Park geocaches and many more.

### **Official Friends of High Point State Park Geocaches**

#### **Geocache 1: Sticks and Stones**

#### **Geocache 2: Camo Ammo**

#### **Geocache 3: Splitting Wood**

Directions to the Friends of High Point State Park Official geocaches may be found the following pages.

Are you planning on searching for geocaches in the winter? Please note that both Ridge Road and Sawmill Road are closed to vehicle traffic during the winter season, but you are welcome to go exploring on foot. Parking is available at the Winter Parking Lot on Ridge Road.

### **CACHE-IN ~ TRASH-OUT!**

Please help keep High Point State Park beautiful. Please bring your own trash bags. All trash must be taken home for disposal. Thank you!

Learn more about geocaching and log your discoveries at [www.geocaching.com](http://www.geocaching.com). All of our official geocaches are posted online at [www.geocaching.com](http://www.geocaching.com). Avid geocache adventurers will be happy to know that there are many more geocaches located in High Point State Park and the surrounding communities.

What are you waiting for? Take a GPS guided adventure and discover High Point State Park.

### **HAPPY GEOCACHING!**

In April 2013, the Communication Technology class at High Point Regional High School designed and hid official geocaches for the Friends of High Point State Park. Thank you to the Communication Technology class at High Point Regional High School for designing and hiding all the geocaches, as well as preparing the following directions.

Three geocaches designed and hidden by Communication Technology Class at High Point Regional High School 4/26/2013.

You can do all 3 in 2 hours by automobile. You could do by bike or hiking starting at the winter parking lot. About a 10 mile loop.

**Winter Parking Lot** at HPSP West Side of Park. N 41 18.463 W 074 40.864  
Make left as you exit the Winter Parking lot.  
Remember some of these roads are closed in the winter to automobile traffic.
